

Your Lula Business Account

✓ Application Checklist

Fast, simple, digital – for **Free** and **Unlimited** accounts

Ready to open your Lula business account?

We have something for every type of business professional: our **Free Business Account** is perfect for business owners looking to build their business's transactional history, or whose businesses have low monthly transactional volumes, while our **Unlimited Business Account** is designed to help established small and medium-sized businesses handle all of their business's banking transactions within one set monthly fee – no surprises.

The application process is refreshingly easy and completely online. No branch visits, no queues.
